

## An interview with Taki Inoue

Japanese former F1 driver regarded as the worst driver in Grand Prix history

Jakub Kruczek: Hello Taki, I would like to ask you few questions, something like interview. If you find any free time, could you answer some questions, please?

Taki Inoue: Let me work on it...

Jakub Kruczek: Do you remember when you gave your first autograph, how looked this situation and what feeling did you have?

Taki Inoue: "It is very difficult question for me to answer your question. Because it happened more than 30 years ago. But I guess I couldn't do properly."

Jakub Kruczek: Do you get a lot of requests for autographs?

Taki Inoue: "Quite a lot actually. "

Jakub Kruczek: What do you feel when you are giving autographs? Can it be tiring?

Taki Inoue: "I don't feel anything. Just I'm trying to give as much as possible properly."

Jakub Kruczek: Do you get some gifts from fans?

Taki Inoue: "Not really. Well I haven't got anything from the fans."

Jakub Kruczek: Is there any difference for you in giving autographs to collectors or fans?

Taki Inoue: "I try not to think about that. I feel someone collecting the autographs for selling. But at the end of the this is not my business."

Jakub Kruczek: Do you always find time for your fans?

Taki Inoue: "Of course, YES."

Jakub Kruczek: From what country are you getting the largest requests for autographs?

Taki Inoue: "Czech Republic and Poland."

Jakub Kruczek: Could you tell any interesting story about giving autographs?

Taki Inoue: "Most of the photos which they send to me to ask my autograph are same."

Jakub Kruczek: As I am Polish what do you think about Robert Kubica? Do you believe in his back to Formula 1 in future?

Taki Inoue: "He was a one of the special drivers who had a natural talent to be a world champion. Unfortunately I don't think he is come back to F1."

Jakub Kruczek: New 2014 season is coming, what do you think about new cars and engines?

Taki Inoue: "Totally a nonsense and comedy show at the moment. I don't understand why they need that kind of nose and 1.6L turbo engine. "

Jakub Kruczek: Thank you very much Taki!

Taki Inoue: "Thanks and regards!"
